A teenage asshole is one the greatest things on earth!

Brown-Eye Beauty

Dear Virgin Territory,

On behalf of all the readers of *18eighteen*, I would like to thank you for running the anal spread in your Jan. '14 issue. Little Katie getting plugged in the ass was like a dream come true for me. I know you guys don't usually run much hardcore because the girls are still just teens, but I love seeing it. When a girl looks young and innocent and then takes a dick in the ass, it makes my cock rock-hard.

I don't know exactly how she managed to take that guy in her butt, but I enjoyed watching it. She must have anal more often than she lets on, because her face was so relaxed and turned on she might as well have been getting her pussy filled. It seemed like she was staring into the camera and asking for more. I'll bet that guy came more than once when filming. There is no way I could last more than a minute inside a hot, little dime-piece's tight asshole.–K.W., Kansas City, Missouri

Dear K.W.,

We're really glad you loved seeing Katie's well filled asshole as much as we did. Since you're a fan you should check out the Back Door Brats *DVD available for order on page 9. It's got the video footage from Katie's shoot, plus five more beautiful teens taking it in the back door!*

It's Cum-In-Your-Pants Good! Yeah!

Dear Virgin Territory,

You've got a bill from my dry-cleaner on the way in the mail, because I came in my pants after seeing those pictures of Zoey, Megan and Raven! I'm just joking, but it was almost true. It is the hottest magazine spread I've ever seen in my life. I've now jerked off to each individual page several times, and I'm not anywhere near retiring it to my "collection" under my bed. The entire magazine was very good, but it's unfair to compare a threesome of hot girls (well, two hot girls and a woman) to any of the other sets because it's so over-the-top hot. I guess a close runner up would have to be Katie doing anal. Wow, I'm calling a smoking hot, young teen getting pounded in her tight asshole a runner up? Yes!

Oops! Zoey, Megan and Raven were almost *too* hot for one reader.

That's how good the threesome set is.

When I saw the first picture of Raven grabbing Zoey and Megan's ponytails I immediately whipped my cock out. It's a good thing I did because within seconds I was spewing my load all over the magazine. What tipped me over the edge were the matching white, cotton panties the two teens were wearing. Seeing their bottoms in the air, waiting to be spanked, filled or licked made my knees buckle. What I wouldn't give to sniff each of those panties!

My favorite shot of the whole set is when Raven and Megan are both licking Zoey's pussy. You see two girls sucking a dick all the time in porn. This was a different spin on that, and it was wildly successful. I love seeing two girls go down on a guy, but there's so much hair and dick involved. This bypassed all that nasty man stuff and focused on the beauty of women. Even though Raven is way too old to do it for me, I really appreciated seeing a unique set that I could ogle from every angle. Their skin was so soft and supple, the teens' tiny tits were firm and it was just perfect. This is exactly why I buy *18eighteen*. More three-girl threesomes in the future!–B.E., via email

Dear B.E.,

We knew it was a special idea from day one. It was difficult to arrange, but we thought our readers would like it! Thanks for writing in to let us know. Also, your great idea has been noted. If any more readers are interested we might do a three-panty giveaway in the future.…

Candy Cane Cunny

Dear Virgin Territory,

If I found Trinity Rae under my Christmas tree I would drop to my knees and thank Santa Claus every day of my life. She's got the most perfect pussy! Come to think of it, her entire body was rocking. The only problem I had was that all those candy canes surrounded her, and she didn't put a single one in her sweet slit! A flat-chested teen like her needs to have something big inside her, stretching her out. Even though she has given me the holiday spirit I'm still hoping to get her panties as my secret Christmas gift!–D.K., Manchester, New Hampshire

Dear D.K.,

Sorry Trinity didn't feel like playing with the candy, but you can watch her get full and sticky at 18eighteen.com. She's got

two scenes of her sucking, fucking and getting splattered with cum!

Kristina for Christmas

Dear Virgin Territory,

Damn. That's all I can say. You've topped yourself again with your choice of superb, flat-chested teens with braces. Kristina Bell is what I think about when I think of *18eighteen*. In the article she talked a lot about her first time; I couldn't believe she wasn't a virgin because she looked so innocent. But I guess if she's been with one guy and he's trained her pussy to take a good fucking that's even better than fucking a virgin! He's a lucky man. Her body looked so tiny I'll bet I could just pick her up and put her wherever I wanted. She would be my little sex toy. It sounds like she might like that too. There's just something super-sexy and special about a really small teen. Oh, and her face! I especially love when an 18-year-old girl has braces because I know her parents paid for them, and what would they think about their daughter being a porn star?–E.L., via email

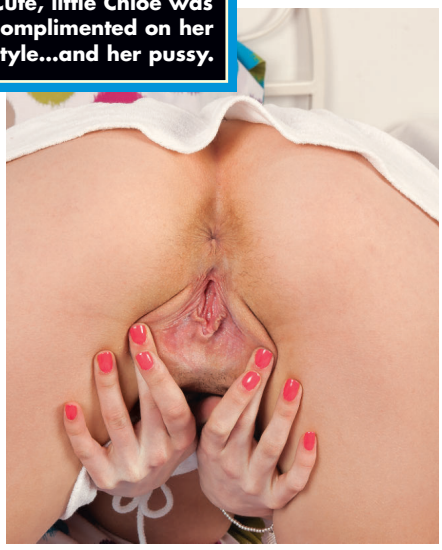

Dear E.L.,

We asked Kristina if people she knows would be surprised to see her here. She said they would be. She's pretty raunchy in the bedroom and around close friends, but her family still thinks she's an angel!

Oh, Behave!

Chloe is just *one* of our hot British Invasion models.

your January issue of *18eighteen*. It was really nice to see a Brit in your pages, as I'm a bit of an Anglophile.

Her style was very worldly and fashionable. I really enjoyed seeing those high, white knee socks. They are a great mix of schoolgirl innocence and flirtatious sexiness. Also, I know a lot of readers of *18eighteen* enjoy seeing girls in white cotton panties, but I like a little variety in my life. Granted, a nice blouse and a plaid skirt cries out for those types of full-bottomed undergarments, but I think Chloe's purple lace thong was fitting for her. It might be the thong and her dark eyeliner, but I think she has a bit of a wild streak in her. I could picture her on the subway (or 'the tubes' as they call them), flashing little peeks of her panties to the cute guys sitting across from her. It might be her style or it might be the way she looks in the camera, but I think she's got that mischievous streak that I love in a girl.

I also like a girl who can show off her pussy in so many different ways! Whenever I have a girlfriend I always ask them to do sexy dances and pose for me. Some let me take pictures, most don't. Anyway, my girls never seem to have more than one or two positions they feel comfortable showing off their pussy. Chloe showed her pussy and her ass in a bunch of my favorite angles and spread her tiny twat wide open, another favorite.

I think the reason why I liked seeing a model from England so much is because when I read her quotes I imagined that sexy London accent, and it made me instantly hard. When she described how she likes to suck cock and be fucked it made me start jacking so much harder. I thought about all my favorite actresses voices coaxing the cum right out of my dick; their voices saying Chloe's words. I didn't even have time to grab a towel before I was cumming! Of course, that was only the first time I used this excellent spread to cum. Thanks again for publishing such a beautiful Brit.–S.R.G., Las Cruces, New Mexico

Dear S.R.G.,

We love a nice accent too! Since you liked Chloe so much you should check out another photo shoot she did in the Feb. '14 issue of Naughty Neighbors *where she toyed her European pussy. You can order it from eboobstore.com.* 18

They love wrapping their luscious lips around a massive, throbbing cock until it's expanding in their throats almost as much as they love having their slits stretched. But what these girls love most is getting used as a fuck doll, being flipped over and having their pretty cherub faces painted with hot, sticky cum shots. Emily
BITTY SLITTY

Welcome to our mag, Emily!

"Thank you for having me! I love being naked so this is like the perfect fit!" Emily loves more than just being naked. She also loves fucking! Her favorite position is doggie-style, but can never turn a guy down when he wants her on top. "I love when a guy tells me to ride him. It's really important to be vocal during sex, you know? I tell him exactly how to lick my pussy and fuck me, so I expect him to return the favor and tell me what position to be in. I'd probably just jump on and ride him anyway, but it's so hot when a guy orders me to grind on his lap!"

Do you ever take the lead?

"Well, when I'm with a guy I like to be a little submissive. It's so sexy when I'm grabbed and put into position by a man's big, strong arms. Of course, when I have sex with girls I tend to be more aggressive. During threesomes, I'm always spreading the other girl's ass while she's getting fucked!"

Do you enjoy having anal?

"I've tried it a couple of times. It was really fun and everything, but I really did it because the guy I was with kept licking my ass when we were doing 69. I got the hint! It hurt at first, but he kept rubbing my clit and eventually I was moaning and pushing against his dick."

Peep Show For a Virgin

Dear *18eighteen*,

I'm one of those guys who managed to remain a virgin up until…now. I'm 30. I'm kind of on the nerdy side, I guess. As you can imagine, my hands-on experience with girls is pretty limited. But the other night I had an experience that I'll not only remember the rest of my life, but will probably come in handy when I finally do get around to dating more often.

My neighbor, Claudia, is 19. She's in college now or something. Anyway, the other night we both pulled up in our cars at the same time. We said hi, caught up. Her parents were away for the night. She showed me a movie she rented. She looked hot as usual. She's real tall and lean–she plays beach volleyball and looks it. Long legs, small ass, chest kinda on the flat side with a great tan and grayish eyes and a cute, kind of short haircut. It's about shoulder-length.

So we talk for a few minutes and say good-night. No big thing.

About an hour later I head up to my room. My shades were up, but my lights weren't on, and I looked across and there was Claudia. She was lying on her parents' bed–my room faces

She was sucking the big, black head, making it wet...

theirs–and I could see her in the glow of the TV. She was wearing a long t-shirt sort of nightie. PINK from Victoria's Secret across the chest. Like a football jersey sort of thing. The shirt was up a little. I could see her underwear. They were white. Or maybe some other light color. Everything in the room looked a little bluish with the TV on.

I stood there for a few minutes, just watching her, and my dick was getting totally hard. I was wondering if there's any possible way she could see me. I was in the dark, but you never know. I couldn't risk taking my dick out. I figured I'd go rub one out in the bathroom and come back to see if she was still there, but then her hand moved to her thigh and I stayed there. Probably a few seconds went by and then her fingers were curling under her panties, and then there it was, her freaking pussy with this little mound of sparse hair on it. She was rubbing it, cupping it, watching TV the whole time. Sometimes she would close her eyes. She was just rubbing it and stroking it. I started rubbing my hard-on through my pants. I couldn't help it. I had to stop here and there. I didn't want to cum in my pants and have to deal with the mess. My mom still does my laundry most of the time.

She lifted the nightie higher. I could just barely see the bottom of her tits. Barely because she's barely got any, and she was lying almost flat, just up a little bit on a pillow. But her belly is so tan and flat. I could just imagine cumming all over it. I've been imagining it every night since this happened, actually.

As wet as she was, she was still drum tight...

She opened her legs. I couldn't see the pink in her pussy–she was too far away, and that light, soft hair covers the lips–but I could see her finger dipping down in there, touching and maybe going inside a little. She did this for a few minutes. Her eyes were closed the whole time. I rubbed my dick and wondered what or who she was thinking about.

She reached for something next to her. I panicked for a second. I was sure it was the remote, and she was going to turn off the TV. And I wouldn't be able to see anymore. But it wasn't. It was a big, black dildo. She stopped and adjusted the bottom for a second. It was a vibrating dildo. She was sucking the big, black head, making it wet, then she started rubbing it between her legs, down in the slit. I thought I got a glimpse of pink for a second. Her hips were pressing up, and she was biting her lip, rubbing the head of that thing up and down on her mound. Her clit, I guess. It was under there somewhere.

And then her other hand went under her shirt and was pinching a nip while she came. Her mouth opened when she did it. I couldn't hear. I didn't know if she was making noise or maybe her mouth was just open. But when I see it in my head now–and seriously, it's like I can't STOP seeing it–I imagine she was saying my name.

I haven't seen her since. But I keep thinking when I do, she's going to know I saw her. Is there any way I could tell? And should I even care?

The Elusive Blonde Beaver

Dear *18eighteen*,

I do a lot of traveling in my work. Road trips, mostly. I can't get too into it–I'd lose the gig if anyone knew I was writing letters to porno mags, or probably worse, picking up hot hitchhikers and fucking them in a car the company pays for–but it takes me all over the Northeast and upper Midwest. Mostly out in the country. I don't mind the driving, actually. I zone out and listen to music and visit back country diners and could probably write a best-selling travel book about whose coffee is strongest and whose pancakes are best and where the cutest waitresses work.

Sadly I've never managed to pick any of them up. I had a shot with one, once. She was probably about 35–a sexy blonde with a nice rack and a kid of her own at home she told me about. But I'm getting pretty close to 50 and shit, I just got too fucking tired waiting for her to close the place down. If she'd been like the one I met on the road the other day, though?

I'd wait on that for another 50 years.

I was headed south on 75 in Michigan, not far from Otsego Lake, when I had to jump off the highway to fill the tank. The leaves were changing to all these

autumn colors. It was pretty I have to admit, so I decided to take a quickie detour up this county road to see if I could get a few pictures of the trees. A few miles later, I saw someone at the side of the road, walking. It was chilly, not too cold (especially for girls from Michigan, I'd guess) and she was wearing these beat up work boots and a quilted flannel, and there was a backpack slung low over her shoulder. And it looked like she wasn't wearing pants from the back! Nice legs, I might add.

I slowed down to see if she was in trouble or something, and she wheeled around when she heard my tires on the gravel, arm shooting up, small hand–thumb extended–begging a ride. Are you kidding me? I quickly rolled down the passenger-side window, gave her a smile and hollered at her from the other side of the road.

"Where you headed?"

"In the other direction," she said, smiling. "I don't need to take you out of your way."

"No, I was getting gas up the road and saw signs for a lookout up this way. Figured I'd check it out before getting back on the highway."

"It's a couple of miles up," she said. "It's pretty."

"So are you. You shouldn't be hitching. I was heading south on 75. Does that help you?"

"It does, actually. Where are you headed?

"Saginaw."

"If you don't mind the company, I could ride with you most of the way. I'm going to Bay City."

"It would be a pleasure. Hop in."

And she did. But we went to the lookout first.

I'm not a creep. I didn't want to spook her. But she was something to look at: petite and blonde–oh, soooooo blonde. Pale, straw-colored hair cascaded over her shoulders from under a ball cap she wore. I almost didn't notice the fall leaves. Her name was Stephanie. And for the next hundred-plus miles we talked and laughed and sang rock music to the radio. She was 23, a part-time student and had been living with some friend in Canada for the summer. She'd saved money and was headed back to college and was going to live at home.

The time flew and before long we were at her exit. I wasn't going to dump her off to walk, but it was still kind of early. "My parents aren't going to be home yet, anyway. Ever seen Lake Huron?"

I hadn't.

"Let's get off here," she said. And her voice sounded full of promise in a way it hadn't during the ride. "Turn left on Beaver Road." She giggled and looked sideways at me again. Something stirred in my jeans. I hadn't allowed that to happen earlier. Like I said, I'm not a creep. But now? I was getting signals.

"Ever seen a blonde beaver before?" she asked.

I didn't answer. I just glanced down and side-long, watching as her milky thighs parted and her skirt slid up past her hips. She had on black panties. I saw that same pale hair, like straw, at the edges before she pulled them to the side. Blonde beaver indeed. A silky blonde bushy one, in fact. I was surprised at its luxuriousness. I thought the young ones shaved them bald most of the time these days.

I was in my 20s in the late 1980s. I don't mind shaved girls. Hot puss is hot puss. But when I was a young man, the girls had full bushes. And a pale blonde one is indeed a rare beaver. I didn't mind it a bit. In fact, it made me feel young. Especially in my now rock-hard dick.

I watched her as she directed me to some lake shore recreation area that shall remain nameless lest I ruin it for horny people everywhere and they post a guard. It was a cloudy, blustery sort of late afternoon. No one was there. We had the place to ourselves, and I'd spent the 15 minutes getting there watching Stephanie stroking that rare blonde beaver of hers. I could hear the wet in it as she played. My mouth was watering. And when we finally parked in a deserted corner of the lot facing Lake Huron, I reached across her lap to the lever on the side of the seat and moved her chair back as far as it would go.

Then I buried my mouth between her splayed, swollen lips and proceeded to tongue-fuck the lights out of that sweet, juicy endangered species. And she went wild. Her hands were in my hair, pulling my face into her snatch, and she started talking really dirty, telling me how she liked it, where to lick her, when to suck her and when to plunge my fingers in and snake them up into her pussy. I did this 'til she howled like a wolf at the moon, cumming so hard I nearly drowned as I tongued her, drinking her in, my balls throbbing–knowing (hoping, I guess–how could I be so sure?) they'd be pressed up against that sloppy-wet fur-slit before too long.

Her hands were in my hair, pulling my face into her snatch, and she started talking really dirty, telling me how she liked it, where to lick her, when to suck her and when to plunge my fingers in and snake them up into her pussy.

Criiiiiiiiick.

We stopped. She gasped. I turned around and we both laughed. Her boots had been pressing so hard against the windshield as the orgasm hit, she'd cracked it in two, neat, feathery stretches–one each, right beneath the soles.

She grimaced adorably. "Oh my gosh, I am SO SORRY! I didn't know!"

"No worries," I chuckled from between her knees. I was still lost in the sight of her gash, fingering the folds

Ariana

VARSITY VAG

HEIGHT: 5′5″ **WEIGHT:** 100 lbs.
BRA SIZE: 34A **BORN:** March 15
LIVES: Tarpon Springs, Florida

What a hot uniform, Ariana! Did you cheer?

"Of course! I was pretty good when I was younger. I just sort of lost a lot of passion for it when I started going through puberty. I got more and more interested in boys! This isn't my uniform, but I still have mine at home. I wear it sometimes on Halloween or when I'm being extra naughty and am giving a guy a lap dance. I can still do the splits and backbends. That's a crowd favorite! I haven't met a guy yet who doesn't love how flexible I am!"

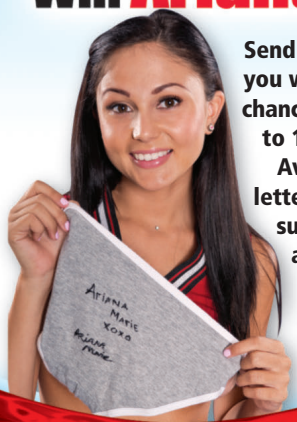

Do you ever skip the panties under the uniform?

"*[Laughs]* Not when I cheered for school! I could have gotten caught! Of course, I'm not really that big on panties. I wear them only because I have to. I mostly rock the thong because it makes me feel sexy. When I'm with a guy and I know he's really into asses I'll wear a tight pair of booty shorts so my cheeks spill out. I like giving men what they want. Y'know, eye candy."

Win Ariana's panties!

Send us a letter telling us why you want Ariana's undies for a chance to win them. Send mail to 18eighteen, 1629 NW 84th Ave, Miami, FL 33126. Email letters@18eighteen.com. Be sure to include a return address. Deadline is April 18, 2014.

Why wear anything?

"Seriously! I'd rather be naked. I think I'd like to try a nudist camp or something. I just feel better when I don't have clothes on."

My
BFF

Lacey

PAJAMA PUSSY

Lacey, will you come to our next slumber party?

"*[Laughs]* That's the reaction I wanted when I put these pajamas on! I was afraid they would make me look too young or something. Although, that's kind of my thing. I think that's why I get so many dates with older guys!"

BRAT CHAT

HEIGHT: 5′0″ **WEIGHT:** 98 lbs.
BRA SIZE: 34B **BORN:** Jan. 31
LIVES: Orange County, California

What do you like about dating older guys?

"They're usually more mature and know how to treat a girl. Plus, the sex is usually better. I say usually because I've had some pretty good sex with some of the guys I surf with. You know, young guys with really good bodies, but those aren't the guys I like to date. I like a more mellow guy who knows what he wants in life and isn't afraid of spending a lot of time with me. I like romantic dinner dates, like to a nice restaurant or a fancy picnic out on the beach. Older guys just tend to take me on those kinds of dates more often. And, like I said, the sex is great!"

Have you ever had sex during a picnic?

"No. I don't really consider myself an exhibitionist even though I find myself fucking outside kind of a lot. I lost my virginity in a public place, and I've had sex on a swing set in a park. I even had sex in the grass on someone's front lawn! Maybe I'm just waiting for the right picnic date!"

Win Lacey's panties!
Send us a letter telling us why you want Lacey's undies for a chance to win them. Send mail to 18eighteen, 1629 NW 84th Ave, Miami, FL 33126. Send email to letters@18eighteen.com. Be sure to include a return address. Deadline is April 18, 2014.

Ava
SWEET LITTLE
SUCKER

It's great to have you back, Ava!

"Thanks for having me. The last time I was here I came so many times with that guy! I couldn't resist coming back." That's quite a compliment coming from young Ava, because she's actually dating a girl at the moment. "I love being with girls. They've got really pretty bodies, and their skin is so much softer than guys'. I especially like playing with a girl's feet. I know it's weird, but it totally turns me on! I'm not over dicks, though. There's just something so satisfying about taking a big cock down my throat or in my pussy. I still love that!"

BRAT CHAT

HEIGHT: 5'2" **WEIGHT:** 93 lbs.
BRA SIZE: 34B **BORN:** June 29
LIVES: Birmingham, Alabama

So what's your favorite position?

"I'm a big fan of plain old missionary position. I also like doggie-style. It's always fun finding new ways to position my body when I'm with my girlfriend. We'll trade off on whose turn it is to wear the strap-on. We'll go for hours and hours just fucking each other silly with that thing. I can cum in almost any position so how I'm placed is not that big of a deal to me. The biggest turn-on is the location. I like having sex in the shower." Well, our little lesbian Ava may enjoy the strap-on, but we know for a fact she loved when our stud was filling her with his big dick. She's a moaner! She also got that shower she likes so much, but this time she was doused in hot cum!

Ava
18eighteen™
May 2014

You look so sweet and innocent!

"I know, everybody tells me that, and I really am innocent most of the time. I also really enjoy having lots of sex. I'm still going to school and being responsible. It just so happens to be that coming here and getting fucked by really hung studs is a whole lot of fun! I mean, I love getting my face and tits covered in cum. That doesn't make me a bad girl, does it?" We don't think so. We think it's what makes Ava great.

Tessa
BRACE-FACED
CUTIE

Tessa, we love your braces!

"Thanks! I've had them for, like, a year now. At first I wasn't sold on them, but now guys tell me all the time how cute they think they are!" Everything about Tessa is cute! She's got the tiniest little boobies and nipples that she says are really sensitive. Her small frame might make her seem like a shy wallflower, but she's actually a real spitfire! "I've always been outgoing. It's probably why I've got so many guy friends!"

So what's in the future for you?

"Well, I really want to travel and see the world. Also, I would love to try to get more comfortable with anal. It drives me crazy when a guy licks my asshole, and fingers feel great! I've only tried to put a dick in there twice so I'm still not sure how I feel about it, but they say practice makes perfect! Also, I'd really like to do more modeling. I'm having a lot of fun finding out more about myself sexually. I didn't know how much I liked other people seeing my body. Now I think about all the guys jerking off to my pictures and it makes my pussy really wet!"

BRAT CHAT
HEIGHT: 5′4″ WEIGHT: 108 lbs.
BRA SIZE: 34B BORN: Nov. 24
LIVES: Phoenix, Arizona

What do you normally wear on these dates?

"I like getting dolled up only on rare occasions. Mostly I enjoy dressing comfy, but when I dress too comfortable people think I'm way younger than I really am. And I almost never wear underwear! I only have a couple of pairs. I have a few g-strings and a couple of lacy ones." It would be just fine with us if Tessa never wore panties; it would give us full-time access to one of the cutest-looking cunnies we've ever seen! When she bends over and exposes that tight, smooth brown eye, her pair of holes are a vision of teenage perfection.

as I spoke. "It's a company car."

She sighed, and then dragged me up to her face by my hair, kissing me, smelling herself on my beard. "Too bad. I was going to suggest the idea of working off my debt…" She shoved me back into my seat and climbed on top, easing up the tank beneath her flannel. Her lacy little push-up bra was packing some sexy little B-cups. I spied rosy-pink buds, hard beneath the lace and bit one gently as she eased my fat, rock-hard cock into the readiest pussy I'd felt in forever. Hot, wet, juicy heaven. A pie waiting for its cream filling.

She rode me with abandon, cunny squeezing my cock, laying layer after layer of sweet, syrupy juice on my balls. I could feel them squishing wetly each time her ass came down. My thighs were getting soaked. And as wet as she was, she was still drum-tight, working those muscles on my shaft and breathing hot in my ear with her sexy-talk. She told me I was filling her up. She called me "mister" and "big man." She said we needed a bed so I could eat her cunny again. She said she wanted to watch. I would have agreed to any of it and a bunch of other stuff she hadn't thought of just yet, but I couldn't bring myself to do anything but bite her nipples and hold her and bring her hot hole down on my cock again and again and again until she started to moan once more. I couldn't believe I'd held out this long–it had been a while since I'd been laid and an eon since it had been like this, but I guess longevity is the gift of the experienced man, yes?

When she started with the "Fuck yeah" and the "Christ, you fuck so good," though, I was pretty much a goner. The good part is that a little thumb, gentle and firm on her fat clit–I was really glad she had a fat one, easier to find–and she was shuddering and cooing, and then I was pumping her shivering insides full of spunk while she moaned softly in my ear.

Pillow talk is one thing. I wasn't counting on that hotel room, but she was good on the word. We stayed in a nice place on the company dime. Her parents didn't know she was coming home, she told me. Let's spend the night together. So we did. I didn't argue. And I had plenty of time to think of that bunch of stuff I couldn't manage with my cock buried so deep in her puss.

She liked all of it and I got to have her for breakfast before I took her out for pancakes the next day.

THREE'S CUMPANY

A trip to the penny arcade turns into an adventure at the slots!

Dear *18eighteen*,
Spread the word: you never know when it's going to fall in your lap, so be prepared.

The other night my bud, Steve, and me were hanging out at this old arcade. We used to go there in high school but hadn't been in forever. I don't know why we went, but it definitely worked out. Steve was playing some racing game, and we ran out of tokens. So I went to the machine to get change, and I see this totally hot girl. She was looking at me like she knew me.
I smiled and she said, "Hey, Mike!"

I had no clue who she was, but I knew I'd remember her. She was Puerto Rican maybe. Not sure. Big brown eyes, long and straight brown hair with some blonde in it. Really shiny. So were her lips. And tits and ass 'til tomorrow.

I said "Hey" back, but she could tell

Anything you're working on?

"I'm still in school, studying to be an English teacher. Also, I've been preparing my asshole. I really enjoy having it fingered and licked, but I'm just too tight for anal to be comfortable right now. I'm practicing with different sized plugs, working my way up to fitting a big dick."

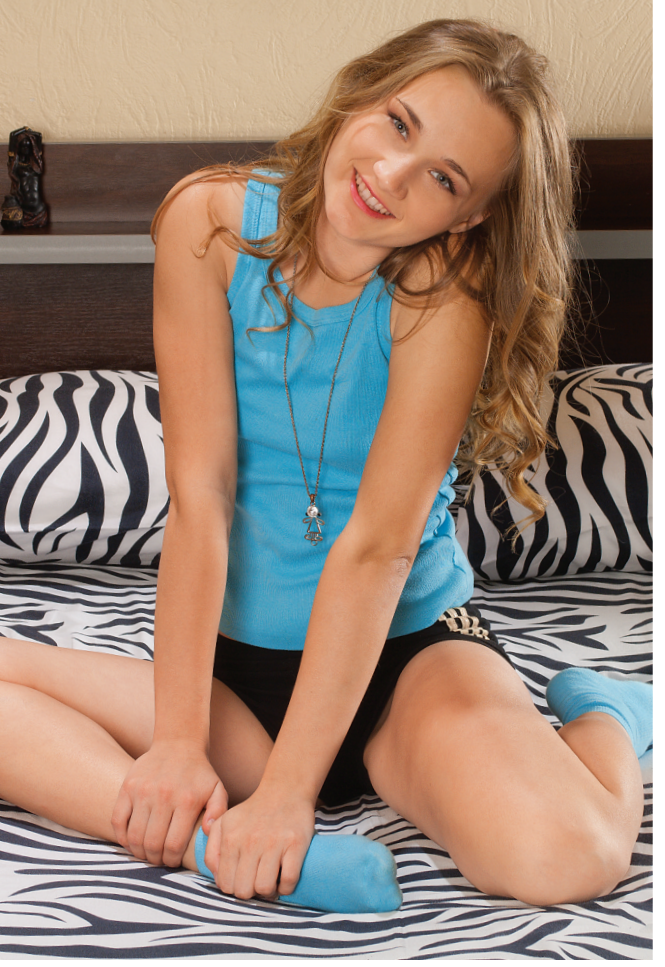

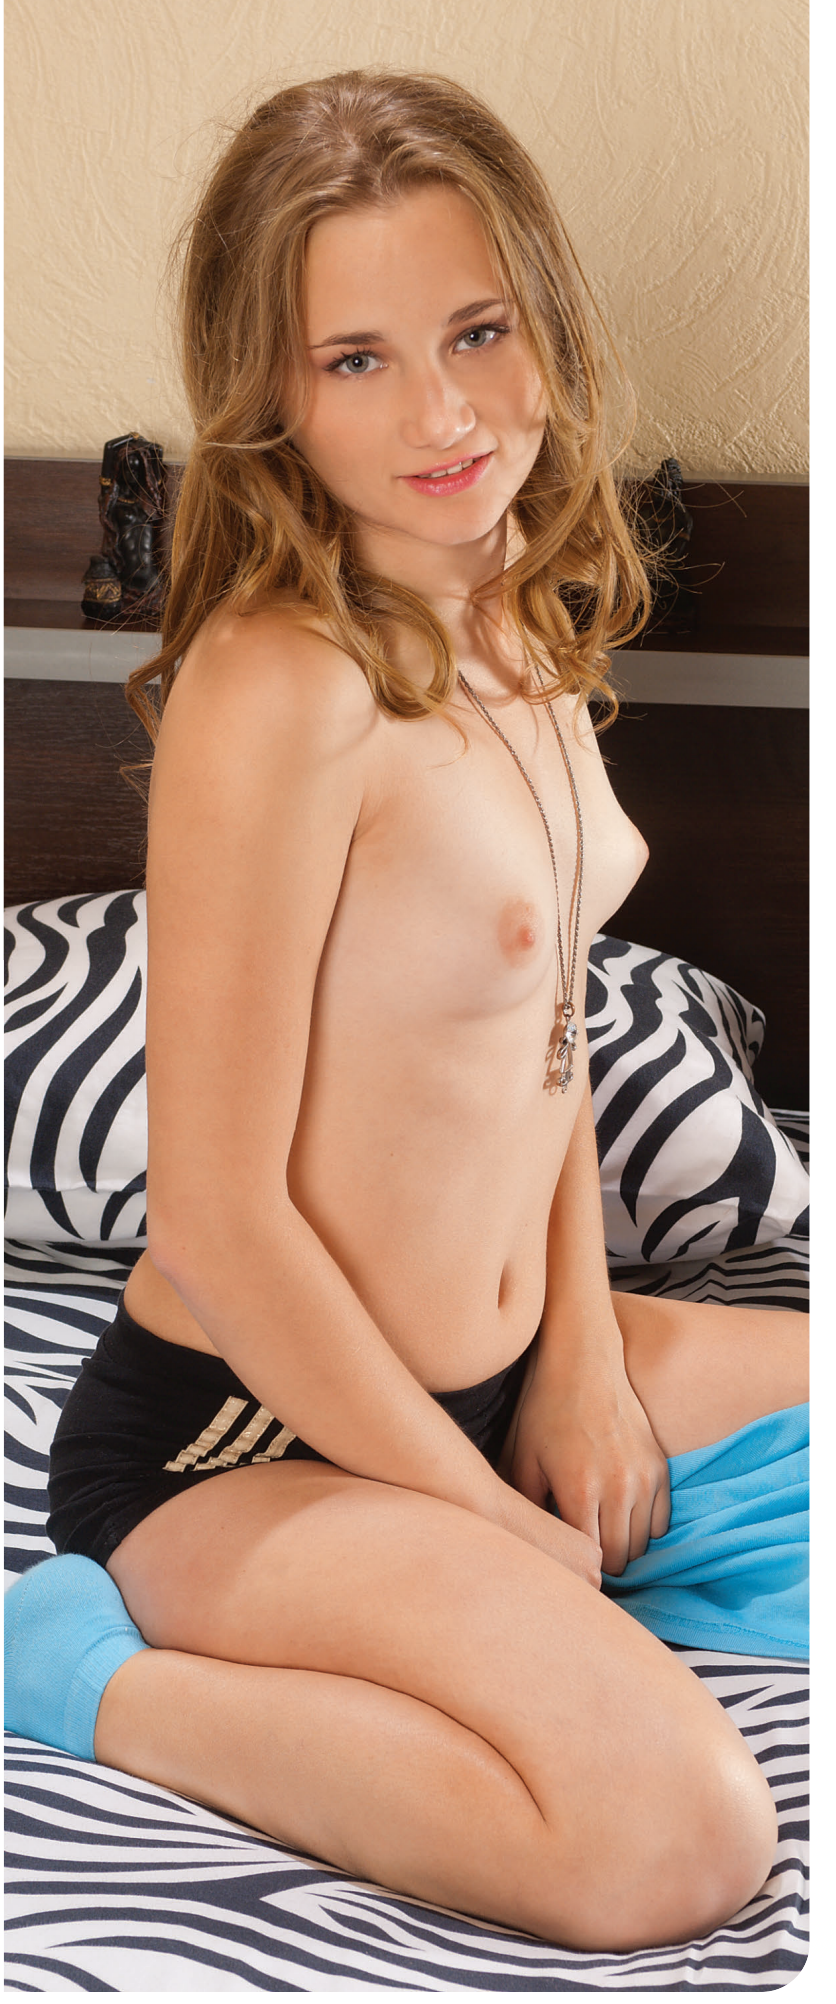

A pretty girl like you must get hit on all the time at school!

"Oh yeah! I'm probably a bit of a tease to the boys in my classes, though. During spring time I'll wear the skimpiest skirts. I've been known to accidentally flash people while walking around campus! *[Laughing]* One time the wind lifted my skirt while I was bending over and this guy literally yelped when he saw my pussy. Another time, during the winter, I forgot that I wasn't wearing anything under my hoodie so I tried to take it off in class. I got it all the way over my head before I realized. I was so embarrassed!"

Nicole
PRETTY PLAYTHING

Welcome to our magazine, Nicole. And welcome to the United States!

"Thank you! I have a translator here because my English is not so good. I am having a great time studying here! There is so much to do in America. Back at home we play ping pong and play volleyball. Here my new friends are taking me bowling and to play laser tag! I have met so many nice people and many nice boys! I am dating more here than I ever did back in the Ukraine."

Any sex on the first date?

"Of course not! The three date rule is what I follow. There is a saying: 'American girls act like virgins on the street and whores in the bedroom. Ukrainians are opposite.' I don't know if that's true, but I know American men love thinking they're teaching me new things."

What do they try to teach you?

"I love sucking dick, but they think I'm really innocent and don't know what I'm doing. So I'll start out by just putting the tip on my lips. They'll be really nice and gentle, telling me to go only as deep as I'm comfortable with. After five or ten minutes I'll have them put their hands on my head, and I'll quickly shove their entire cock down my throat. They all think they're the best teachers in the world when they're fucking my face. The deep throat will make some of them cum unexpectedly. When that happens I just swallow it all down and thank them for such a great lesson!"

I didn't know her. I totally wanted to, though. Turns out she's the little sister of this guy I was friends with back in high school. The last time I saw her she was probably 12 or 13, and she didn't look anything like she did at the arcade. She was 18, a senior now. Her name was Gabby.

I brought her back to the racing game. Steve was pissed–I took too long with the tokens and the game was over–but he looked happy enough when he saw Gabby. We hung out awhile and then she asked if we could give her a ride home. Steve's truck only has a front seat, so she sat between us, but she was tiny enough to fit easily.

On the way, she turned on the radio and started jamming out to the music, and all of a sudden she had her left hand on Steve's zipper and the right one on mine. She asked if we might want to make a detour. Her curfew wasn't 'til 11 and it was only a little before 10.

Steve made a right, and I knew he was headed out to the lake.

On the way there, she was rubbing our cocks through our jeans. I wanted to take mine out right there in traffic, but both of us just let her take the lead. We had no idea what she was into doing. And I mean, I hadn't seen him in awhile, but I still knew her brother. She was going to be the boss. We got to the lake, and as Steve was cutting the lights and looking for a spot to park in the trees, she slid into my lap and kissed me, grinding her pussy down on my dick while we were making out. Her tongue was crazy in my mouth and the heat coming off from between my legs was insane. She eased up a bit and let me out of my jeans to check out my cock, and then before I knew it she was rubbing her pussy on it. No underwear! I almost came, and I wasn't even in her. I was almost relieved when she slid over some to put Steve's hard cock in her mouth.

I watched her sucking it–she was moving pretty easy behind the wheel and everything–her head sliding up and down on it. Her mouth was wet. So was her chin. And so I eased up her

Stella
CLIT CHICK

Stella's stress reliever!

When Stella walked in she looked instantly comfortable. A lot of girls are nervous when they take nude pics for the first time in our studio. We asked her about her laid back attitude. "Whenever I'm nervous I like to take a few moments, breathe and have a quick cum. I used to do it in school all the time before big tests. I would walk down to the bathroom and just rub myself until I came. My hands don't smell like pussy afterwards because I don't put them inside. I like it better rubbing little circles on my clit. That's what makes me cum the fastest."

So what's your favorite position?

"Doggie-style! If the guy has just the right sized dick it will hit my G-spot and make me squirt! Plus, I can reach right under myself and rub my clitty while he's fucking me from behind. That's the position I was in when I came seven times in a row!"

You call yourself an exhibitionist. Where was your kinkiest encounter?

"Oh gosh, let me think. I think it's a tie. One time I was walking my dog in the city park by my house. It was dusk and there was only one other person. We started talking and before I knew it he was fucking me while I was up against a tree! The other time was with my boyfriend. We were in a book store. He pulled my skirt up and took me from behind in between the rows!"

READER CONFESSIONS

jean skirt to have a look. Black landing strip–a little hairy line above her wet slit. I couldn't quite bend my head to taste, so I slid two fingers in there to see how she liked it. She moaned on Steve's dick. I could see him watching her, and then watching me diddle her. He smiled but then closed his eyes. Man, I was jealous, but I wasn't going to touch my dick. I had never been in a three-way–or watched anyone having sex in person. I was as hard as I'd ever been. So, if I had to watch him cum in her mouth, he was going to watch me bang her bush. Or what little bush she had down there.

She was squeezing my fingers with her pussy, and I could imagine what my dick was going to feel like. *Shit, Steve, cum already*, was all I was thinking. Then, watching me spreading her lips open, touching her clitty, he lost it. She took some in her mouth, then pulled up, and I watched him splash her chin with it. Hot. I wasn't going to kiss her mouth after she sucked Steve's dick anyway.

She used his t-shirt to wipe off her chin and swallowed the rest. Steve kissed her (it was his jizz, no big). His cock was still stiff but he was looking for paper towels or something behind the seat with the door open, so I got her up on her knees across the front, moved between the seat and the dash some and started rubbing the head of my cock on her hot little pussy. Up to the hole–a little tease–then back down. Then I slammed it up inside her. Steve was outside and his cleaning turned into a little bit of stroking while he watched us. She was begging hard for it, and I fucked her and fucked her. I even reached under and played with her clit some. She helped me and in a minute or so, she started to shake and cum, and that set me off. I yanked it out and sprayed all over her nice, round ass.

At that point, I knew Steve was wondering if he could get another suck job. And I could have gone for another round, too. But it was near curfew. So we decided to call it (one hell of) a night.

Morgan
"FILL ME UP!"

Morgan decided to play hooky with her brother's friend, Juan.

She's always had a crush on him, and she has caught him staring at her ass more than a few times. Now she had the perfect opportunity to fuck his brains out. Nobody would be coming home for hours, and her pussy was soaking wet. "I pulled my tits out as soon as he walked in. He got the message pretty quickly!" Juan didn't waste any time pulling something of his out, too…

Did Juan have the biggest cock you've ever seen, Morgan?

"By far! The guys in my school act like they do, but I've hooked up with a few of them and they just can't stretch me as wide as I need!"
